Re: Application of Madison Water Utility, Dane County, 3280-CW-118
 Wisconsin, to Replace the Lake View Reservoir No. 113

Dear Mr. Larson:

On January 19, 2015, the Commission received your application requesting a Certificate of Authority for the above referenced project. As part of the review process, the Commission is required, as described in Wis. Stat. § 44.40, to consider the potential impacts a project may have on existing cultural resources. As indicated in your application, the proposed project would impact 2 elements of the Lakeview Sanatorium Historic District: the water tower and the well house. Both structures are listed on the State Register and National Register of Historic Places.

To facilitate our review, the Commission is requesting the following information regarding the project:

- 01.01 Please provide a description of all the alternatives that were considered for this project:
- Describe why each alternative was eliminated and why the proposed alternative was selected.
 - For each alternative, describe any anticipated impacts to the water tower and well house.
 - Include any mitigation strategies associated with each alternative.

Mr. Alan L. Larson
